## SUMMARY

Frontend-focused Web Developer with strong experience in React.js, Next.js, HTML, CSS, and modern UI libraries. Passionate about clean UI/UX, performance optimization, and building responsive, production-ready web applications.

## PROFESSIONAL SKILLS

Design Understanding   Team Collaboration  
Team Collaboration   Visual Design

## TECHNICAL SKILLS

Java, React, Node, HTML, CSS, JavaScript,  
MySQL, REST APIs, Git, Agile, WebSocket, Postman

## PROJECTS

### Online Book Store ([BookNest](#))

Developed a full-stack MERN e-commerce platform with user authentication, admin panel, and complete book purchasing workflow.  
Implemented product listing, search, filtering, shopping cart, and order management with secure role-based access control.  
Designed a responsive React frontend and RESTful backend with MongoDB for scalable data storage and performance.  
Built an admin dashboard for adding, updating, and managing books, users, and orders in real time.

### Real-time Chatting App ([Friend Fusion](#))

Programmed a real-time MERN stack chat application for a school project.  
Enabling low-latency messaging for 20+ active users via WebSockets.  
Designed a responsive React interface and integrated secure authentication.  
Currently used by students for project coordination.

## EXPERIENCE

### Web Developer (Internship)

Jun 2024 - Aug 2024

Created 10+ responsive UI components using HTML, CSS, JavaScript, and React. Collaborated with a 4–5 member cross-functional team, integrating features via an Agile sprint workflow. Debugged and optimized UI, enhancing page responsiveness and user experience.

## EDUCATION

### Bachelor of Computer Applications (BCA)

Jun 2022 - Present

Indira Gandhi National Open University (IGNOU)

Completed key projects using JavaScript, React, Node

Active participant in Hackathons, CTF challenges and coding contests

## ADDITIONAL INFORMATION

**Languages:** English, Hindi

**Certifications**

CISCO : Introduction to Cybersecurity

Web Development Certificate
